

*"I, a universe of atoms, an atom in the universe." -Richard Feynman*

## Education

- 2021-2025** Bachelor of Technology (B.Tech), (M.A.I.T) Maharaja Agrasen Institute of Technology, Delhi.  
**CGPA : 9.0/10; Information Technology.**
- 2018-2020** Higher Secondary Certificate, ST. Joseph International School, Rajasthan.  
**CGPA : 8.5/10, Class XII, Central Board of Secondary Education.**

## Experience

- Present**
1. Mastering the Most Important Topic Of **Data Structure and Algorithm**.
    - Concept Like **Graph , Tree, Linked-List, Stack and Queue**.
  2. Creating **Cross Platform App** Using **Flutter**.

- Aug 2023 – Nov 2023**
2. **Vrinban International, Web Developer**, India
    - Contributed to the development of <https://tcho.website/>
    - Worked on **Home-page** and **Contact-us** using **HTML & CSS** to improve the **UI** of Page.
    - Worked on **Contact-Us Form** using **JavaScript** for **Showing User Credentials**
    - **Enhanced website accessibility** in Phone through improvement in Responsive design.

- Mar 2023 – June 2023**
3. **Chegg, Computer Science Educator**, India
    - **Certificate Link** Of Chegg
    - Skilled Used was **Data Structure & Algorithm** For Solving Coding Question.
    - **Resolved Student Doubts** in Computer Science through online platform.
    - Contributed to educational resources for enhanced student support.

- 4th Nov 2022**
4. **International Symposium on Smart Cities Challenges, Co-ordinator** India,
    - **Coordinated and executed** various student activities and events.
    - **Facilitated communication** between students, faculty, and event participants.
    - **Collaborated with fellow students** to enhance the overall symposium experience.

## Training/Courses

- Aug 2023 – Oct 2023**
1. **Flutter Development, By Maximilian Schwarzmuller**
    - Develop **Instagram Clone** for Implementing Flutter Concepts.
    - Completed comprehensive Flutter development training, covering both theory and practical application.
    - Developed hands-on experience in widget-based UI development and state management.
    - Acquired skills in integrating APIs, databases, and third-party packages for enhanced app functionality.

- Sep 2022 – Feb 2023**
2. **Web Development, By Dr.Angela Yu**

- Completed rigorous training in modern web development.
- Proficient in building responsive web applications.
- Expertise in front-end technologies: HTML, CSS, and JavaScript.
- Hands-on experience with React.js for interactive user interfaces.

**April 2022 – Aug  
2022**

### **3. Data Structure and Algorithm, By Striver**

- Completed intensive training in DSA.
- Proficient in algorithm implementation and optimization. & Strong grasp of fundamental data structures.
- Hands-on experience in solving coding challenges and Applied skills in real-world coding projects.

## **Skills**

- **Programming Languages:** C, C++, JavaScript, Dart
- **Operating Systems:** Windows, Ubuntu Linux
- **Software & Packages:** MATLAB, AutoCAD, Android Studio, Visual Studio, Github & Figma, Flutter
- **Documentation:** LATEX
- **Languages known:** English, Hindi, Sanskrit

## **Positions of Responsibility**

- **Coordinator, Team Chaitanya :**
  - Organized 5+ festivals with participation from over 400+ students
  - Served as the spokesperson for a community of 800+ students and liaised with authorities.
- **Member, GDSC (Google Developer Student Club):**
  - Played a key role in organizing Coding Seminars and Coding Programs.
  - Contributed to the successful organization of Research Seminars.
- **Volunteer Work, NGO (Non-Governmental Organization):**
  - Serving to Needy People in Society.
  - Help in teaching Department.

## **Certifications**

- **Certification of Appreciation for SCCTT (2022)** M.A.I.T
- **Web Development** Udemy
- **Flutter** Udemy
- **N.G.O Certificate**
- **Chegg Certificate**

## **Achievements**

- Solve more than **450+** Question on Platform like Coding Ninja, Leetcode, GFG and Codeforces
- In **top 10%** students of my batch
- Second Position in **"Intra College Volleyball Championship 2022"**
- Secure Second Position in **"National Science Olympiad"**

## **Important Links**

- **Portfolio Website**
- **LinkedIn**
- **Github**
- **Leetcode**
- **Codeforces**
- **GeeksforGeeks**
